

UIRC Master Hunter Mock Hunt Test Event

The UIRC is offering a Mock Master Hunt test evening on June 2 from 3-9 pm at Swamp Dog Farm, PHO's permitting. There will be full water and land set ups designed to familiarize participants with Master test logistics and expectations. Registration will be required in advance and participants will be expected to take their turn in the field throwing, moving equipment and helping out wherever possible. A help roster will be sent out once registration numbers are complete. Spectators (club members who wish to see what a Master test entails) will also be welcome dependent on PHO guidelines - you will also be expected to help out.

This will be a training event, so all usual training gear is allowed and recommended. The event is for dogs who have a Senior title and are planning to enter Master this year, as well as dogs who have some Master passes but need to finish their title. Because of time constraints we will be unable to accommodate dogs who already have a MH title. In addition, there will be Senior and Junior Mock hunt test evenings later in the summer.

When: June 2, 2021 3-9 pm

Where: Swamp Dog Farm.

What: Master Hunter Mock Hunt Test. – CKC rules apply, training equipment allowed

Registration: Please register at this link: <https://form.jotform.com/UIRC/uirc-mock-master> Open to Club Members only. Dogs must have a Senior Hunt title and be working towards a Master title. Due to time constraints, dogs with a MH title cannot be accommodated.

Registration fee is \$20.00/dog. This covers our land costs and provides the club with revenue to cover expenses. Payment is by e-transfer only and must accompany the registration form. A jot-form is attached.

Registration from will not open until May 26 and only if the PHO's have been changed to allow bigger outdoor gatherings. If this does not occur, the Master Mock Hunt test will be rescheduled for later in the summer.
